3. COMPENSATION:

Minutes:

Finance Director Hiedi Wink started the Work Session. She explained to Council that we have presented them with the current salary matrix and a proposed salary matrix. The proposed matrix is a 6% increase for everyone. The proposed increases will cost the Town about \$188,000 next fiscal year. The majority of it will be to the general fund at \$122,000. Council asked if this includes increases to employee insurance. It does include the increases to insurance. Our insurance will be increasing 10%-12%. Councilor Reidhead asked if this will be just for the Police Department or if it will be for all employees. Heidi let her know we cannot just give cost of living raises to the

Police Department. It will need to be across the board. Ms. Reidhead voiced she wished we could do more. Manager Collopy agreed, but that we are doing what we can with our funds. We will need to look at our budgets and see what we can cut to make up the differences. Council gave staff direction to implement the 6% cost of living raises at the next pay period.

4. ETHICS POLICY:

Minutes:

Manager Collopy passed out a draft Ethics Policy for all boards, commissions, and councilmembers. He asked Council to review the policy, mark it up as they see fit, and we will be bringing it back to discuss and consider. Council asked Tosca, the Town Attorney if this is a model provided by the league. She said the League does not have a model but this came from another City and was altered to meet our needs. She gave an example of where this policy will be useful for Springerville.
